**40TH TAIPEI MORNING CUP 2011**  
8th - 10th April 2011

## Message From The CEO / Director

It is a surprise for me to see a tournament that runs for the past 40 years when I attended the 40th Taipei Morning Cup in April 2011. The tournament successfully attracted more than 2000 players from all over the world every year.

On behalf of KX I have not failed to attend any of their invitation to be the host for the farewell dinner for the past 6 years consecutively.

In addition, we also send our KX team players for the last two years to participate in the tournament. This year, KX team won 5 medals again, despite that the team size is much smaller compared to previous years.

Thereafter, KX Team went for post tournament sightseeing tour to the North & Centre part of Taiwan.

The next Taipei Morning Cup has confirmed to be held at Kuala Lumpur in July 2012. KX is planning to send a larger team size to support the spirit and efforts of the founder Mr. Wu Wen-Tat to promote badminton in Taiwan. The good news is that WBF sanctioned the Tournament at the beginning of this year as you can see the VP Mr. Paison and some council members were participating in the Tournament.

It is an honor for me to be one of the members in Malaysian badminton players' team, which recently organized a friendly match in Kai Ping China. It was an eye opening experience for me to witness how they promote badminton in their city with the participation of their City Mayor and dignities of the city of Kai Ping. We were given VIP treatment as guests of Kai Ping by touring the world heritages, staying in a 5-star hotel and being served the tasty typical special arranged local foods.

This is the first time KX organized The Kejohanan Badminton KX-Remaja in Klang. In the event that this tournament receives good response; a similar tournament will be held again in holiday sites such as Port Dickson, Kuantan, or Langkawi at the end of the year. Anyway, our dealer Mr. Teo of skt Epton in Beaufort, Sabah has proposed to run a similar tournament in November for the state of Sabah.

After a successful tournament in April, the organizer lead by Mr. Poobalan intends to have another larger scale tournament before end of the year in Sandakan, Sabah.

We are proud of being a Malaysian when this inspiring news came in that our Sahabat KX Sharon Tan & Diane Lim won in the 95th All England Seniors Open Championships held in London from 15-17th April 2011. They entered into the Women Double semi-final and Diane emerged as the Runner-up in the Women Single. They were the only Malaysian players won in the Championships besides winning the gold and silver medals in Taipei.

Exciting news also came from our Sahabat KX in Egypt, the father Yehya abd el kader brought his son Mohamed Yehya and won 2 gold medals in the International Youth in Hungary in June. The father, Yehya is also the Head Coach for the Egyptian Youth Team and his son Ahmed Yehya has been selected to represent the country to participate the coming World Youth Championships in Taipei from 28th October-6th November.

Whereby, our Sahabat KX in Nepal was not left alone, he was playing for his country in the Asian Badminton Championships in July at Lucknow of India.

We are proud that our Sahabat KX (KX Friends) above has achieved great results in their life to represent their countries to play in these prestige tournaments.

Man Mohan Singh (59) of Nahar & Son Co, our long time dealer since PRO-KENNEX time at Pertama Complex KL with his long time playing partner Mr. Anil Shah (52) also joined as Sahabat KX in June playing weekly twice badminton sometimes even three times a week in various courts with KX gears. He is promoting KX very aggressively in the shopping complex.
